Sub:- Establishment --Temporary (Bellary) Sandur Taluk Office --sorting out of the old records of the Sandur --Durbar --additional staff continuance beyond 31.3.52 --Proposals submitted.

Ref: G.O.Ms.No

In the G.O. cited above, sanction was accorded for the appointment of the following staff for sorting out the old records of the Erstwhile Sandur Durbar.

(a)	Two Dy. Tahsildars	One from 3.3.51 upto 31.3.52 and the other from date of appointment upto 31.3.52.

were accordingly dispensed with on the forenoon of 9.5.42. Hence I request that the action of the Tahsildar Sandur in having continued the following staff upto the dates noted against them without the sanction of the Government may please be ratified

The Tahsildar Sandur has further brought to my notice that there is yet much work to be done in respect of sorting out of the records and bringing the work to a shape. The records of several decades are said to be kept in an unsystematic manner and that unless these are sorted out, it will hinder the progress of work. Every record has to be very carefully examined and decided as to whether it should be destroyed or preserved. The records pertaining to various departments have be sorted out and despatched to the respective departments. The above two Secretaries have done the spade work of separating the old records into Provincial and Central. They have sorted out 41,155 papers relating to Provincial Government and 287 relating to Central Government. They have also separated 20,52 vouchers and challans from the disposals. The following items of work have yet to be attended to by the special staff.

Yearwar sorting in Provincial and Central papers (including papers already sorted out).
Listing of records (sorted and yet to be sorted out under Provincial as well as under central) for handing over to the respective department
